**Mandatory Condition #4:** The defendant shall refrain from any unlawful use of a controlled substance. The defendant shall submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, as directed by the probation officer.

**Special Condition #18:** You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

**Special Condition #17:** You shall undergo a substance abuse evaluation and, if indicated by a licensed/certified treatment provider, enter into and successfully complete an approved substance abuse treatment program, which could include inpatient treatment and aftercare. You shall contribute to the cost of treatment according to your ability to pay. You shall allow full reciprocal disclosure between the supervising officer and treatment provider.

**Supporting Evidence:** Ms. Wells advised, and it was confirmed with the program staff, that she failed to attend her aftercare treatment groups at the co-occurring program offered by Central Washington Comprehensive Mental Health on August 8, 13, and 15, 2013. The staff advised she called in on August 8 and 13, 2013, with an explanation as to why she missed the sessions. On August 15, 2013, she did not call, nor did she show up for the group session.

I declare under penalty of perjury that the foregoing is true and correct.
